PENFOLDS GRANGE

Combining traditional Australian techniques, inspiration from Europe and precision winemaking practices developed at Penfolds, Max Schubert made his first experimental wine in 1951 – The project was canned by the Penfolds board and Max continued to make his '57,'58 and '59 vintages in secret, prior to the acceptance of quality and the production restart in 1960. Penfolds Grange's reputation as one of the world's most celebrated wines continues to grow today. On its 50th birthday in 2001, Grange was listed as a South Australian heritage icon.
